RWH loaded one container in February.

February 24th to Ukraine, the container was sponsored by the Ukrainian Canadian Social Services.

This is the 19th container to the Ukraine since January of 2022

The volunteers that participated in the February 24th loading included members of the Ukrainian Canadian Social Services, Rotarians from a number of Rotary Clubs and a contingent of Korean Volunteers.

The date of this loading is significant since it was on February 24th of 2022 that Russia invaded Ukraine.

We are so appreciative of these people who come out on a Saturday and volunteer their time.
