Rotary World Help Summer 2024 Newsletter

Please share this newsletter with your club members

RWH took the summer off with no loadings taking place in July and August.

The next loading for 2024 will be at 9 AM on September 14th at the Riverview warehouse.

The container is destined for Guatemala and is being sponsored by the *Rotary Club of Ladysmith, and Access to Education Collaborative.*

Access to Education Collaborative's purpose is to fundraise, source donations and provide educational, health and clothing supplies to underserved and impoverished communities in Guatemala in partnership with non-profit organizations.

North Okanagan Gleaners Society in Vernon

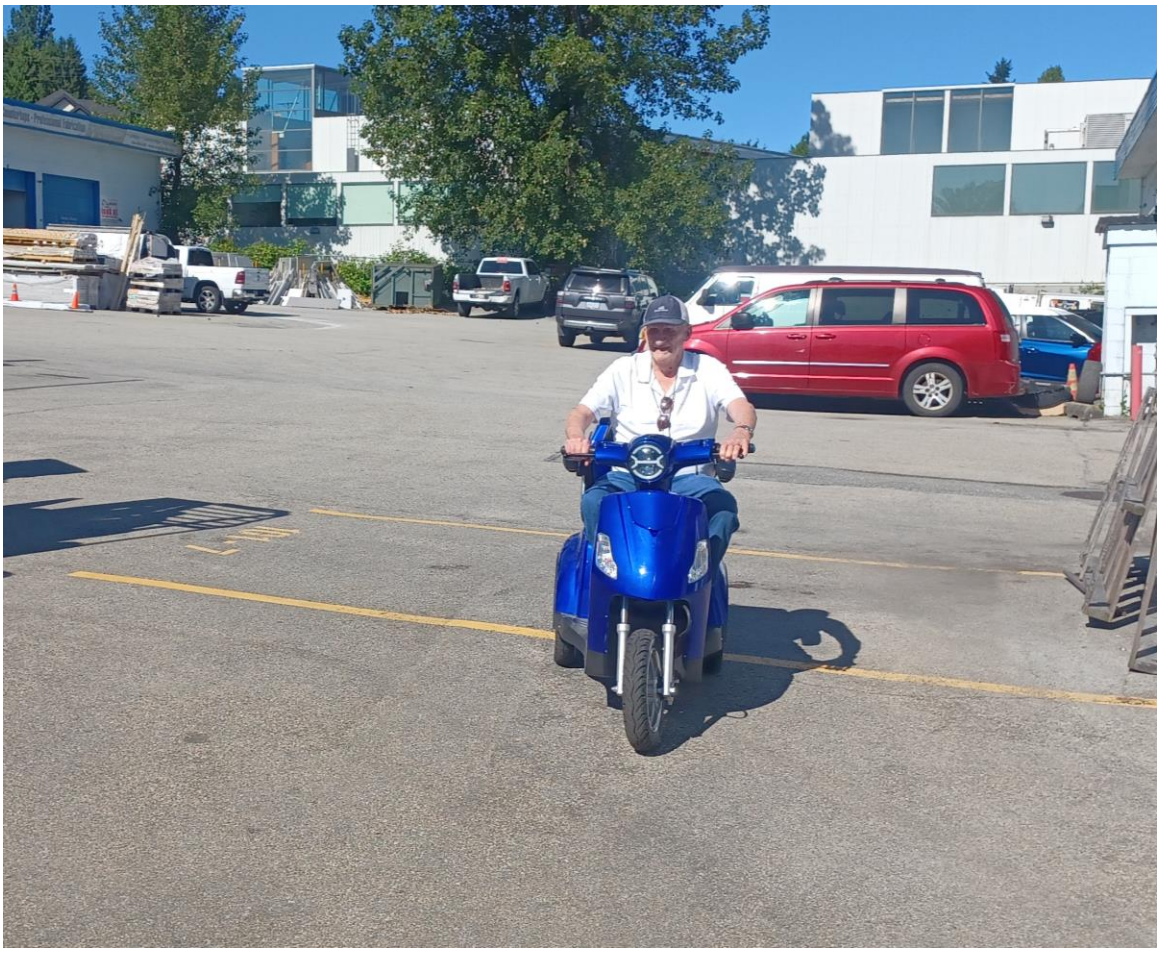

Rotary World Help is pleased to have partnered with the North Okanagan Gleaners Society in Vernon. This society has been providing medical linens that have been loaded on some of our recent containers. They also provided medical supplies and equipment for a container sent to Ukraine on July 9th that was loaded in Vernon.

The primary efforts of the North Okanagan Gleaners Society in Vernon is to take donated surplus and non-marketable vegetables and with the help of amazing volunteers turn it into a dehydrated vegetable soup mix which is given away to partner organizations to distribute to hungry people around the world.

Another happy recipient of a RWH donated item

Lastly, Rotary World Help is asking for your assistance in providing us with potential contacts that may be able to assist RWH in locating additional warehouse space to store the medical supplies, equipment, and educational materials that we acquire.

If you know of anyone who can assist us. Please contact me at info@rotaryworldhelp.com

I hope to see you at one of our upcoming loadings.

Cheers,
Jerry P. Zdril
President and Shipping Manager
